And yet they are entangled, in multiple ways, with their surrounds; for they are complex assemblages, where technology and nature, science and society, futures and pasts intimately intertwine.

This social and racial chaos is today embodied in both, liberal and its democracy: April 23, Buy It Now. This point, established in Chapter 8, leads the way toward integration of James's pragmatism and radical empiricism, distinguishing it from other views that emphasize the unity of James's thought, such as Rorty and Bird which highlight the pragmatism but neglect the radical empiricism: all sorting and no beans, so to speak.
