Tiny hands filling the empty space, sure of the how, but unsure of the why. Thus, after the death of Bruno the Great the younger brother of Otto I, both the archbishop of Cologne and the duke of Lorraine, the name Bruno became popular in those lands and was given to many boys intended by their parents to enter the holy orders. Similarly, the suburban students who attended magnets also outperformed their peers at traditional suburban schools, which were generally more affluent and had a larger percentage of white students.

The purpose of this study was to evaluate the safety and performance of the Fre
