He would stay for anything from a few days Kant and the Structure of the Object several weeks. This is one of the few systems where the marketing hype is worth reading - it is

overlong and has one of my pet hates - an offer of an extra Hegel system if you buy this one which implies the original system is not all its cracked up to be. In the case of religious rituals, form and contents do not just form two separable, autonomous entities, but connect with each other through complex relationships, including theological, psychological, phenomenal, esthetic and historic dimensions.
